Fall 2018

Volunteer Points System

Region 39 Volunteer Points System

We in Region 39 have revamped our volunteer program for the Fall 2018 Season.

This revamped volunteer program will provide opportunities for each team to earn volunteer points in the following areas:

- Referee
- Field Set-up
- Field Take-down
- Assistant Coach
- Player Ratings Turned In
- Field Monitor
- Team Parent

The volunteer points system has been structured so that each team has a reasonable opportunity to reach the total minimum points required by providing volunteers on a regular basis as required.

(a) **Referees Volunteers:**

1. During weeks 1 - 7 teams must earn a minimum of 10 points in order to advance to the playoff bracket and an opportunity to play on Championship Saturday. Teams that do not earn at least 10 referee points during weeks 1 - 7 will not advance to the playoff bracket, regardless of their win/loss record or other volunteer points scored. They will be scheduled to play 3 additional games during weeks 8 – 10 but will not have an opportunity to play on Championship Saturday.
2. During weeks 8 - 10, those teams that are in the playoff bracket must earn a least 5 referee points in order to qualify for Championship Saturday. Teams that do not earn at least 5 referee points will not be allowed to play on Championship Saturday regardless of their win/loss record or the other volunteer points scored.

(b) **Field Set-Up Volunteers:** Each team must provide volunteers to set up the fields each Saturday during weeks 1 - 7 and weeks 8 - 10. Those parents that will perform field set-up must arrive at their respective fields no later than 7:00am on Saturday and check in with their respective Age Division Coordinator. All volunteers when done performing field set-up duties will be required to check-in with their respective Age Division Coordinator to complete their volunteer duties. Failure to check in at the start and end of their volunteer assignment will result in a partial and potentially full deduction of their volunteer points for that assignment. A maximum of 10 points can be earned in weeks 1 - 7; and for those that advance to the playoff bracket can earn a maximum of 5 points during weeks 8 - 10.

(c) **Field Take-Down Volunteers:** Each team must provide volunteers to take-down the fields each Saturday during weeks 1 - 7 and weeks 8 - 10. Those parents that will perform field take-down must arrive at their respective fields no less than 45-minutes after the start of the last games on their respective fields and check in with their respective Age Division Coordinator. All volunteers when done performing field take-down duties will be required to check-in with their respective Age Division Coordinator to complete their volunteer duties. Failure to check in at the start and end of their volunteer assignment will result in a partial and potentially full deduction of their volunteer points for that assignment. A maximum of 10 points can be earned in weeks 1 - 7; and for those that advance to the playoff bracket can earn a maximum of 5 points during weeks 8 - 10.

(d) **Assistant Coach Volunteers:** Each team that can secure an assistant coach that completes all of the required training and certifications for their respective age division will receive 5 volunteer points. Teams without an assistant coach will not earn these 5 points. These points will be credited during weeks 1 - 7 and will count towards earning the right to play in the playoff bracket. Assistant Coach points will not be credited during weeks 8 - 10.

Volunteer Points System

- (e) **Rating Forms:** For coaches that turn in their Player Rating Forms on time they will earn 10-points. For each day their ratings are turned in late they will lose one point. Player Rating points will be credited during weeks 1 - 7 and will count towards earning the right to play in the playoff bracket. Player Rating points will not be credited during weeks 8 - 10.
- (f) **Field Monitor Volunteers:** Each team must provide volunteers to be field monitors each Saturday during weeks 1 - 7 and weeks 8 - 10. Those parents that will perform field monitor duties must arrive at their respective fields no less than 15-minutes prior to the start of games on their respective fields and check in with their respective Age Division Coordinator. All field monitors must remain on duty until all games are complete during their time slot. All volunteers when done performing field monitor duties will be required to check-in with their respective Age Division Coordinator to complete their volunteer duties. Failure to check in at the start and end of their volunteer assignment will result in a partial and potentially full deduction of their volunteer points for that assignment. A maximum of 5 points can be earned in weeks 1 - 7; and for those that advance to the playoff bracket can earn a maximum of 4 points during weeks 8 - 10.
- (g) **Team Parent Volunteers:** Each team that provides a Team Parent volunteer will earn 5 volunteer points. The Team Parent will be required to submit a volunteer form and will be expected to help ensure their respective teams have identified volunteers to perform these various volunteer duties. The Team Parent can also help coaches put together practice schedules, snack schedules, and ensure effective communications within their team. Team Parent points will be credited during weeks 1 - 7 and will count towards earning the right to play in the playoff bracket. Team Parent points will not be credited during weeks 8 - 10.

For any discrepancies to this volunteer point system please contact your appropriate Age Division Coordinator. Any modifications shall be at the discretion of the Regional Commissioner only.
