- b. The FLEX program is designed to provide a more competitive level of play to those players who possess the appropriate skills, commitment and abilities.
- c. The FLEX program for all Section 11 Areas will include U9, U10, U11, U12, U13, U14 and U16 age divisions for each gender.
- d. Section 11 has been granted authority from AYSO's National Board of Directors to offer a U8 Program that shall operate as an AYSO Lab. The guidelines as set forth below shall apply to the U8 division as well.

### ***JURISDICTION***

- a. The Section Eleven EXTRA Program is a primary program and except for items specifically noted herein, shall be conducted in accordance with the current AYSO Rules and Regulations, Bylaws and National Policies; the current FIFA Laws of the Game (AYSO Edition); AYSO EXTRA Program Guidelines; and the guidelines as contained herein.
- b. The EXTRA Program Rules of Play and calendar will be published on the Section Eleven website.
- c. The program will be administered by the Section Eleven "FLEX" Program Administrator, who will be responsible for providing general administrative oversight and direction of the program. This will include managing dispute resolution/discipline review on behalf of and/or through the Section Eleven Director or his designee. The Program Administrator will be authorized to appoint staff to assist in managing the program through AYSO volunteers or third party contractors in the best interest of the program.
- d. Each Area Director is responsible for overseeing/verifying that the EXTRA Program requirements are met as they pertain to player eligibility, coach eligibility, team formation, field allocations and referee support by those Regions within their Area that elect to participate in the EXTRA Program.

- e. Each Region will ensure that appropriate monitoring and measurement reports, as established by the National Board of Directors under the EXTRA Pilot Program, are completed and submitted as requested. Authorization to continue participation in the EXTRA Program is subject to completion and timely submission as requested. We must ensure compliance with all AYSO Philosophies, Rules & Regulations and By-Laws. It is critical to the success of the program that all Regions follow these guidelines to provide a common, consistent and positive experience for all players, parents and volunteers.
- f. Issues requiring special jurisdiction will be evaluated and handled by the Section Eleven “FLEX” Program Administrator in the best interest of the Section and AYSO. This may include appointing a three-member committee of Area Directors or Section Staff Members to resolve matters of disagreement. Any appeal of discussions handled by the above identified process will be adjudicated by the Section Eleven Director or his designee.

## ***PLAYER ELIGIBILITY***

- a. Each Regional Commissioner of a Region electing to participate in the EXTRA Program is responsible for his/her Region’s compliance with established player eligibility requirements.
