

AYSO Region 1103

Refund Policy

AYSO Region 1103 will charge a registration fee, which will be set by March 1st each season, for the upcoming Fall/Spring Membership Year. In addition, the region will set a registration deadline date for each season. This information will be readily available via flyers and on the regional website www.ayso1103.org. The registration fee will consist of the following components...

- National AYSO Membership Fee.
- Regional level player fee.
- Late Registration fee.
- Uniform fee or cost of uniform

The AYSO National membership fee is applicable to ALL players signing up to participate in any AYSO activity, and is a non-refundable fee. Regardless of your status with AYSO Region 1103, once registered, you will continue to be a member of the National Organization for the entire membership year, and will be entitled to all the benefits this will entail. This portion of the fee is Non-Refundable.

Any Player registering after the registration deadline is also charged a late registration fee (Loss of Early Discount). The late registration fee will cover expenses associated with placing players, reprinting rosters, redistributing uniforms, ordering additional supplies, and realigning or rebalancing teams associated with players who register after the stated registration deadline. As such, this portion of the registration fee is non-refundable.

The region shall use a home and away jersey system (two jerseys, shorts, and two socks) for all players. These jerseys will be reused for up to four seasons. Uniform costs are posted on the regional website www.ayso1103.org, and at the concessions area on game days. New players needing a uniform will be charged a uniform fee. This uniform is returnable or exchangeable until it has been worn. As soon as a jersey becomes “used” then it is considered non-returnable, and that portion of the player fee becomes non-refundable.

The remaining portion of the registration fee, or the Regional Level Player Fees, are refundable for any and all players, for any reason, up to the first game day of the Fall Season, (or first game day of Spring season for players registering for spring season only). Any registrant not requesting a refund prior to this date will be considered a participating player, and no refund will be allowed (except uniform refund or exchange if applicable).

Under no circumstance will a refund be issued of a larger amount than collected from the registrant. Under no Circumstance will a refund be issued in excess of the Regional Player Fee and, if qualified, the Uniform Fee.
