

Thank you for volunteering. Volunteering helps make the season so much better for all involved and your time and hard work is very much appreciated. AYSO tries to make sure that children are in a safe environment, so each volunteer must clear a background check. This process is very important.

Once completed, your volunteer role can be assigned to the team(s) of your choice. Assigning you to a role will help the region better distribute important information directly to the individuals that are the designated volunteer for each team. It is required that the Coach, Team Parent, and Referee volunteer roles be completed via Blue Sombrero for each team. Field Setup and Assistant Coach volunteer roles are highly recommended to ensure that emailed information is sent to the proper volunteers.

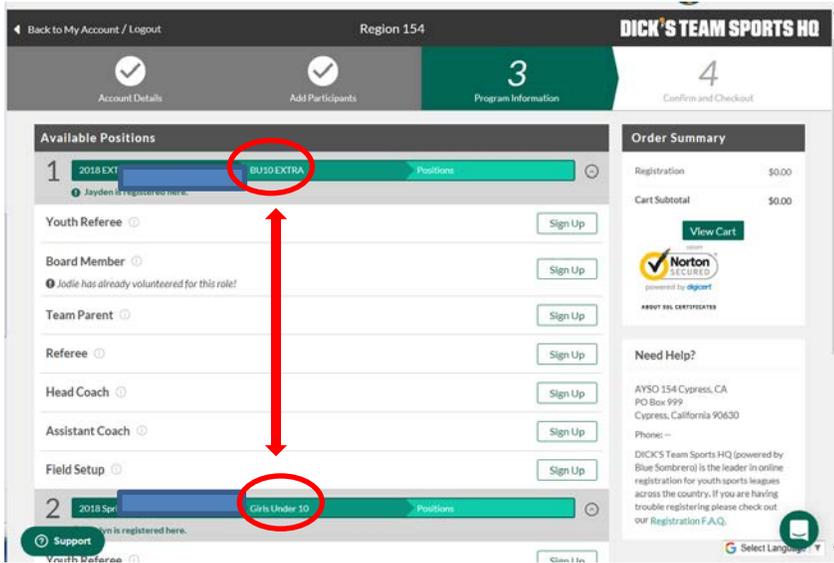

1. Within your Blue Sombrero Account, click on the Volunteer option.

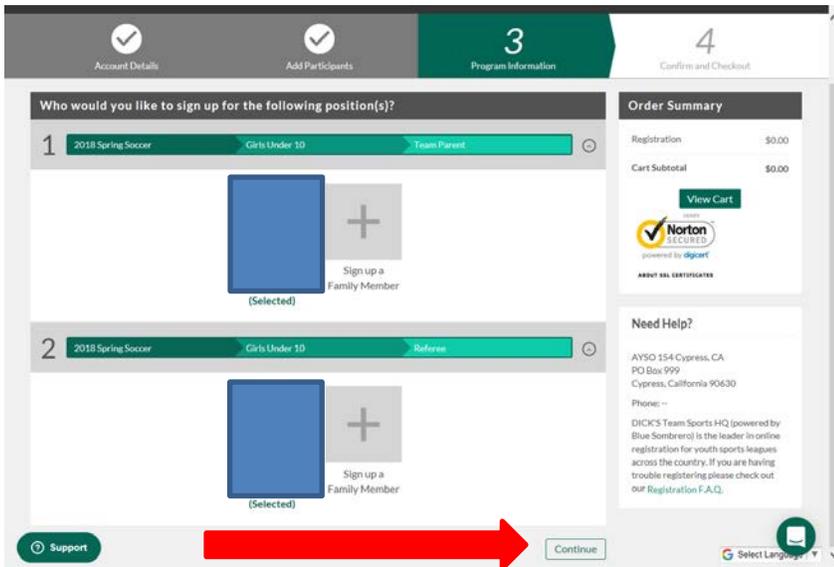

2. If you have already volunteered for something in the current season, click on Find Volunteer Roles to add additional roles. Otherwise, choose your role from the options shown on your screen.

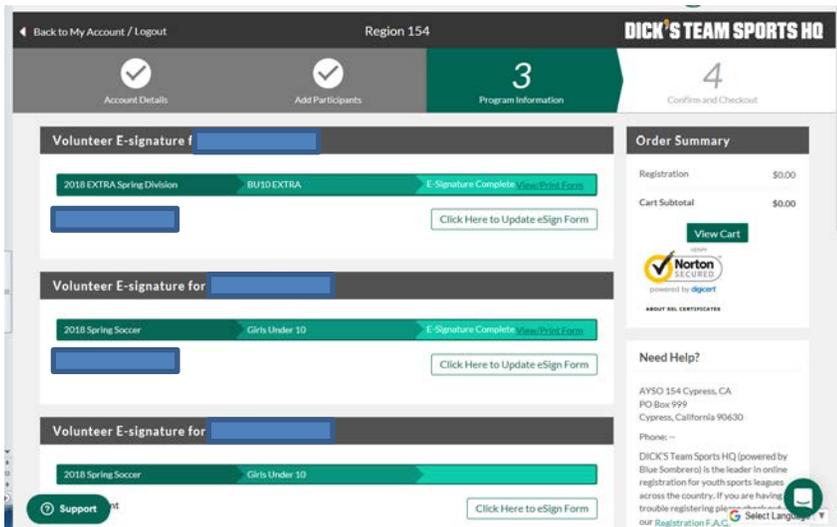

3. Make sure you 'Sign Up' for the correct player (if you have multiple players within your account). For example, Referee on the BU10 player account, but Team Parent for the GU10 account. You can sign up for multiple roles for multiple players all at once.

4. You can visually confirm your choices on the next screen. Click continue.

5. Complete your personal information used for the background check. If returning, make sure to click the returning option from the first drop down box. This will prepopulate your information and you will only need to confirm that you have not been convicted of a crime and then click accept waiver. If you are signing up for multiple volunteer roles, you can click on the Copy Responses to All Forms so that you don't have to input the same information again. Click Continue at the bottom of the page.
6. Make sure to eSign or Update eSign for a volunteer role. Clicking on one option and completing the eSign will complete all of them at once. Once done, click continue at the bottom of the page.

Your volunteer roles will now be listed under your volunteer tab. Clearance may take some time for AYSO National to complete. If you have any questions, please feel free to contact your Division Director.
