

La Verne and San Dimas AYSO's Fall 2020 Registration is Now Open

I hope this note finds you and your families in good health and you are all able to stay safe amid this COVID-19 pandemic. We are preparing to return to play soccer this fall as we have every other year. Of course, we will meet all COVID-19 directives from the state, county and cities to keep all of our children and volunteers safe.

Core program: We hope to be able to start our core program, (birth years 2002 – 2016), with practices in August and game play between September and November (these may change based on state, county, and city directives). Registration fee is \$ 130 per player and that includes the AYSO National Fee, soccer jersey, shorts, socks, soccer pictures, and medals/trophies. There is also a \$ 2.75 transaction charge.

Online Registration: Registration is now open online, as it has been the past few years, and will close June 30th. To register please go to:

<https://www.ayso112.org/Default.aspx?tabid=808182>

Volunteer: We need volunteers. Our organization is run by and relies on volunteers. We have many volunteer positions available! **Please consider taking on a volunteer position.** We will work with you and provide training and guidance.

Coaching, refereeing, and getting involved with AYSO are rewarding experiences and help our children have a great season. Please check out your volunteer opportunities when you register your child and volunteer for a position.

EXTRA Program: The EXTRA program is a year-round advanced soccer program with guaranteed playing time.

This coming year we will have four teams in our FUSION Extra program. U-13 boys' and girls' teams for birth years 2008-2009. U-11 girls' and boys' teams for birth years 2010-2011.

These teams will be formed by invitation only after open tryouts. Tryout dates will be posted as soon as permissible based on COVID-19 directives.
