**AYSO Region 1438 Player Evaluation Instructions and Definitions**

Rating	Definition
5	Player is in the top tier of AYSO players in this skill area at this age level
3	An average player
1	Shows little or no skill in this area compared to all players in this division.

Skill Area	Definition
Speed and Endurance	A player rated a 5 in this area will have extremely fast running speed, and exhibit high endurance. A player rated a 1 will show very little speed and little or no endurance.
Hustle & Agressiveness	A player rated a 5 will play aggressively and hustle to the ball and be actively engaged during the game. A player rated a 1 will rarely if ever be actively engaged in play
Trapping & Controlling	A player rated a 5 in this area will be able to properly execute all the traps appropriate for this age level, and use them consistently to gain control of the ball. This may include trapping with inside or outside of foot, and trapping with thigh, chest, and body. Consideration should be given to the ability to trap the ball on the ground, and to trap the ball in the air with chest, body or foot. A player rated a 1 will exhibit few or none of the trapping and control skills appropriate for the age.
Dribbling	A player rated a 5 will be able to dribble with speed and control in the open field, and will be able to control the ball and keep it away from defenders in traffic, and will be able to consistently beat defenders. A player rated a 1 will exhibit few or none of these skills and will rarely if ever be able to beat a defender with the dribble.
Passing & Shooting	A player rated a 5 will be able to consistently pass and shoot accurately, and will be able to shoot hard shots, <b>and</b> will be able to use either foot, <b>and</b> the inside and outside of their foot. They will be able to execute a variety of shots and passes, including chip shots, volleys, and ground shots. A player rated a 1 will rarely if ever make an effective pass or shot.
Defense	A player rated a 5 will excel at taking the ball away from the attacker, and will show aggressiveness and tenaciousness in battling for the ball, and will rarely if ever be beaten by an attacker in a one on one situation. A Player rated a 1 will show little or no aggressiveness and will nearly always be beaten in one on one situations.
