AYSO Region 43 Players, Parents, and Volunteers:

Registration for the Fall 2020 season will begin soon!

For the Fall season, AYSO Region 43 (North Los Altos / Los Altos Hills) and AYSO Region 45 (South Los Altos / Mountain View) will be combining forces to enhance the experience for all of our players: More balanced teams, larger divisions, a return of the [Buddy program](#), and pooling of coach & referee resources.

To simplify the registration process, all registration will occur through the [AYSO Region 45 / SportsConnect portal](#)

To make the season a success for all the players, we need many types of volunteers: Coaches, Referees, Division Coordinators, Marketing Managers, Trophy Coordinators, and more. Please be sure to sign up for a role when you register your child. A list of all the different roles is [here](#).

For additional information, please see the [AYSO Region 45 website](#).
