Notes:

1. Field assessments for upgrades must be done in a *typical AYSO* match for the age group (division) specified using the Diagonal System of Control. Matches used for upgrade assessments must be of a duration equivalent to normal regular season matches.
2. If *requested by the referee* being assessed, a higher division match or a non-AYSO match of the equivalent age division (or higher) may be used for the assessment.
3. Applicants for Area Referee certification must be mentored by a Grade 3 Referee Mentor (or higher level assessor) and recommended for upgrade by the Regional Referee Administrator or the Regional Director of Referee Assessment. At least one observation as a referee is required, and one as an assistant referee is recommended.
4. Service units consist of: Observer-Friend observations, mentoring of new referees, mentoring of area badge candidates for upgrade, observation/mentoring of other badge upgrade candidates, serving as a Regional Referee Administrator, Regional Director of Referee Instruction or as a Regional Director of Referee Assessment, instructing Regional Referee Training Courses, instructing Assessor Training Courses and, if qualified, assessing candidates for badge upgrade.
Note: No more than (2) service units may be credited for mentoring an individual referee or (1) service unit per administration or instruction function.
5. The requirement for performing service units is waived in the case of candidates who are under 18 years of age.

Note to Applicant: Keep a copy of this form for reference after each application
