

AYSO Region 120 – Costa Mesa, CA Financial Assistance Application

The American Youth Soccer Organization (AYSO) is a non-profit, all volunteer program. Our mission is to provide soccer opportunities to as many young athletes as possible in a fun, fair and safe environment.

Our basic policy is that parents/guardians should finance their children's registration fee to the "extent that they are able." Our goal is maximum participation; a financial assistance program has been established in our region to help parents/guardians with the registration fee. An AYSO scholarship is based on financial need of families who are not able to pay for all or part of their child's registration in order to participate.

Information provided in any AYSO 120 financial assistance application will remain confidential.

Criteria:

1. Parents/ guardians must complete the scholarship application form.
2. Families receiving first consideration will be those able to provide documentation that supports the financial need such as proof of current government financial aid or that the child is a participant of a free school lunch program (Title I student). In addition, or as an alternative, AYSO will also give priority consideration to recommendations received from government agencies, social agencies or school administrators (such as school principal).
3. Amount and type of previous volunteerism provided by the applicant family or child is not required for Soccer Scholarships. However, any volunteering by parents and/or players is appreciated.
4. Scholarship applications may be submitted to any AYSO 120 Board Member and will be forwarded to the Regional Commissioner.
