Parents-

To insure that our 2019 U-5/Jamboree "One with One" soccer experience is a success for your child, Friday August 9th is your opportunity to take the Safe Haven course. The Course will be held at Firestone Park starting promptly at 6pm. Remember - this course is **mandatory for the parent that will be participating on the field** during our soccer-training sessions. Parents **must** complete a Volunteer form online and attend a Safe Haven course before their child may participate. We will have registered volunteers working with the kids during these sessions.

Then the fun really begins. The "One with One" soccer experience sessions start Friday, August 16th from 6:00pm to 7:15pm at Firestone Park and continues through October 11th. Parents should wear tennis shoes and comfortable clothes, as you will be playing soccer with your child - "One with One". You will be leading them through warm ups, stretching and U5 Jamboree designed soccer drills. The sessions will end with the players participating in a short-sided game while parents help coach, referee and provide positive support and encouragement.
