On the back of this sheet (or attach a separate page):

You may expand on your answers to the previous questions if you feel that you need to, and provide any additional information or reasons why you feel you should be selected to coach a team from our Region this

year.

If chosen as an Arsenal coach, you agree to and will abide by the following:

- You must hold Coach Certification that is at least one level above the division that you will coaching, an example would be that a U10 Coach would need to hold U12 certification, U12 would need Intermediate, etc. If you do not currently hold the necessary certification, your acceptance is contingent upon your successful completion of the needed coach course.
- All Arsenal coaches and assistant coaches will be required to Referee (either as Center or Linesperson) at least one game, U10 and above, *each Saturday for the Region 1521 recreation seasons*, Fall and Spring, with no more than two absences without a makeup. If you have not already, you will need to attend and pass a Basic (Regional) Referee course prior to the start of the rec season or as soon as one is offered within our area.
- The opportunity to represent our region as an Acreage Arsenal coach is a privilege and you must abide by the rules of AYSO and our region at all times, whether the play is regular season, Section League, State Games, National Games or a non-AYSO event. Your demeanor and actions are subject to review and, if necessary, disciplinary action by Region 1521, no matter where the incident occurs.
- It is the position of Region 1521 that *all players on your Arsenal team play at least one half of every game, no exceptions* unless there is an injury or Referee action (red card).

I agree to the above and I am aware that failure to comply will result in the removal of my Arsenal coaching privileges. I would like the opportunity to represent AYSO Region 1521 as an Acreage Arsenal coach.
