

AYSO United Tryout Registration and Team Preference 2021/2022

Dear Parents/Players,

You (or your son/daughter) will be trying out for an AYSO United Club team.

AYSO wants to give the opportunity for each Player to try to play for the team/coach they prefer. Obviously, this cannot be guaranteed, but we want to at least record a given a preference by each player. However, it **MUST** be noted that IF you give a preference for a coach, you will still have the opportunity to play for another team in the same age division (if one is created/available) or play up on an older team if your player doesn't make the team that is coached by your preferred choice. Coach/Team bios can be found at:

<https://www.aysounitedsaltlakecity.org/Default.aspx?tabid=954968>

If you don't have a coach preference, you will be trying out for any team in the age division of the tryout you are attending unless otherwise noted below.

Here is a description of how the Coaches are **REQUIRED** to pick their teams:

1. Each coach will **PICK** all the desired players from their (player selected) preferred list to fill out their roster. Coaches with a returning team will have a "core" set of players returning and will keep them on the team. This means there may be limited open roster spots depending on the team.
2. If there is more than one coach for an age division and If a coach has not filled out their team, **ALL** players that have not been picked (players with preferences and with **NO** preference) will be put into a pool of possible players to pick.
3. The coach or coaches will then pick from the players defined in #2 above to fill out their teams.

Mark an "X" in the spaces below for each statement:

____ Player **DOES NOT** have a coach preference.

____ Player **DOES NOT** want to be considered for a team in an older age division if they are not chosen for a team in their own birth year division.

____ Player **DID NOT** pre-register for tryouts online. If checked, a **NON-AYSO Registered Participants Form** (at check-in table) must be signed and turned in **BEFORE** tryouts begin.

If you have a preference for a coach, please enter the name of the coach below:

Preferred Coach Name: _____

Note: A chosen preferred coach **DOES NOT** mean a player is automatically assigned to them. If a coach decides not to pick up a player, another coach may have the opportunity to do so. Also, a coach in a higher playing division of the same age group may still offer a player a roster spot even if the player has a preferred coach listed. A player can refuse any roster offer offer.

Player Information:

Player's Year of Birth: _____ Player's Gender: Male or Female (circle one)

Player's Name: _____

Parent/Guardian Name(s): _____

Email Address: _____ Phone Number: _____

(AYSO USE ONLY)

Registered AYSO or Participation Form complete: _____

Date of Tryout: _____

Time of Tryout: _____

Assigned Tryout Number: _____
