Short Bio: I'm a late-comer to soccer, not learning to appreciate the beautiful game until after I finished college. I'm now an avid soccer fan (esp. Hamburg SV, Liverpool, Real Salt Lake)
I've been coaching my kids since my oldest started in U4, and have now coached about 6 years with AYSO in Cottonwood Heights. I love AYSO's guiding principles and am excited to translate those in a slightly more competitive environment. I emphasize team strategy, fairness, and cooperation.
