Short Bio:	<p>My name is Coach King and I am the head coach for the boys 2006 and 2005 teams. I grew up in Sandy and soccer was a major part of my childhood.</p> <p>I started playing soccer with AYSO at Union Middle School. I started playing comp soccer with a team called the Phantoms, before ultimately moving to Sparta. I played ball with Sparta until high school. I played soccer for four years for Jordan High School. (Go Beetdiggers!) When I graduated from high school I continued to play on adult teams.</p> <p>I have been coaching for nearly 12 years. I coached rec and the old Summer Select teams before AYSO had a comp club. I have coached with United for 5 years, and 4 of them have been two teams. My 2006 boys are the reigning Freedom Cup champions going into the fourth year. I am also heavily involved with tryouts and our tournament, and I sit on the board. To me, soccer isn't just a game, it teaches life skills and I have loved watching my players grow into accomplished young men. I will see you on the pitch and Go United!</p>
