Short Bio: Most of Phil's soccer coaching experience has been in AYSO Region 126 Cottonwood Heights for both of his boys U5-U8 teams.

Phil has been playing soccer ever since he was 5 and currently plays in Utah's Over-30 mens outdoor league.

Phil actually started in AYSO, nearly the same year and in the same city it was AYSO born. Phil has played comp soccer (but in the 70's), made All-Stars and was Second Team All League in HS. He has played every position, except goalie, many times over in his 47+ yrs of playing.

His approach is to point out as many positive actions the player makes so they will be accepting of the areas they could improve on knowing much of their great play is recognized.

His soul purpose is to get the best out of every player by encouraging them to play with endless EFFORT while being RESPECTFUL and having FUN. The players really can do no wrong in his eyes but he will be always trying to build a solid foundation of play and providing tips, suggestions and options they may have or had on the playing field for their constant, continued growth in the game.
