Short Bio: I have played soccer since I was 6 years old. I started out in Recreation and moved on to the Competition level. In High School we did not have a womens team so I tried out for the Womens Amateur League. I played for the Womens Amateur League two years on the Berlin Women Soccer Club and 6 years for the Sharks Soccer Club.

I coached a junior high girls recreation team while I was attending the University of Utah and ended up taking that team over to the Competition League where we competed in several National Tournaments placing in the top three teams.

I have volunteered with the AYSO program for several years for the teams my kids have played on before returning to the Coaching side first as an Assistant Coach and then Head Coach.

I love this sport and I love watching the players come together as a team and become better players. As a Coach I feel it is my job to bring out the best in each player and help them to build confidence in their abilities. I look forward to another great year working with these young men and hope to add some great talent to the team!
