

AYSO United Tryout Registration and Team Preference

Dear Parents/Players,

You (or your son/daughter) will be trying out for an AYSO United Club team.

AYSO wants to give the opportunity for each Player to try to play for the team/coach they prefer. Obviously, this cannot be guaranteed, but we want to at least record a given a preference by each player. However, it **MUST** be noted that IF you give a preference for a coach, you will still have the opportunity to play for another team in the same age division (if one is created/available) or play up on an older team if your player doesn't make the team that is coached by your preferred choice.

If you don't have a coach preference, you will be trying out for any team in your age division or a team in one age division older unless otherwise noted below.

Here is a description of how the Coaches are **REQUIRED** to pick their teams:

1. Each coach will **PICK** all the desired players from their (player selected) preferred list to fill out their roster. Coaches with a returning team will have a "core" set of players returning and will keep them on the team for continuity that is needed for a team to advance into more competitive brackets.
2. If there is more than one coach for an age division and If a coach has not filled out their team, **ALL** players that have not been picked (players with preferences and with **NO** preference) will be put into a pool of possible players to pick.
3. The coach or coaches will then pick from the players defined in #2 above to fill out their teams.

Mark an "X" in the spaces below for each statement:

____ Player **DOES NOT** have a coach preference.

____ Player **DOES NOT** want to be considered for a team in an older age division if they are not chosen for a team in their own birth year division.

____ Player **DID NOT** pre-register for tryouts online. If checked, a **NON-AYSO Registered Participants Form** (at check-in table) must be signed and turned in **BEFORE** tryouts begin.

If you have a preference for a coach, please enter the name of the coach below:

Preferred Coach Name: _____

Note: A chosen preferred coach **DOES NOT** mean a player is automatically assigned to them. If a coach decides not to pick up a player, another coach may have the opportunity to do so.

Player Information:

Player's Year of Birth: _____ Player's Gender: Male or Female (circle one)

Player's Name: _____

Parent/Guardian Name(s): _____

Email Address: _____ Phone Number: _____

(AYSO USE ONLY)

Registered AYSO or Participation Form complete: _____

Date of Tryout: _____ **Time of Tryout:** _____ **Assigned Tryout Number:** _____
