

ATLANTA FIRE UNITED SOUTH

OFFICIAL Southeastern Clubs Champions League statement:

"This Spring has landed the soccer world in an unprecedented situation due to the pandemic. The safety of our players remains our top priority. While every player, coach and club is ready to be back on the fields, the reality is that we must continue to adhere to the guidelines of our local government and health officials. As such, for the time being, there are severe restrictions on how players can come and train at the fields. Due to these limitations, tryouts would not be an effective process to assess players and place them on teams. In collaboration Ambush, AFU, Concorde, Georgia Express, GSA, LSA, NTH, Steamers FC, SSA, TYSA and UFA, have all made the difficult decision to cancel in-person, formal tryouts."

While this is a major deviation from our traditional tryout process, the coaching staff at AFU South have worked hard to put together a thorough plan to evaluate, assess, and place players on to the appropriate teams for the 2020-2021 season.
