I. LEAGUE PHILOSOPHY

The AYSO Area 11L adult league is operated for the purpose of giving adults the same opportunity as the youth of our community to learn and enjoy the game of soccer. This league is geared to those volunteers who give a significant amount of their time towards the kids in AYSO.

This league is considered a family event. Our goal is to provide a safe, fun and fair environment for all who want to simply enjoy the game and get some exercise. Our aim is to provide a venue for recreational play. We will maintain a recreational mindset among the players and make every effort to reduce overzealous play. We do not tolerate out of control play or action, our goal is to promote adult behavior and good sportsmanship.

This is a recreational adult coed soccer program. The league is designed to accommodate a wide range of player skill levels. Some players have never played soccer before, while others are highly skilled. The only requirement is that you come out to have some fun. The intent is to play soccer on Friday nights, then coach and referee your kids AYSO games on the weekend and then go to work on Monday.

II. JURISDICTION

A. Unless otherwise noted in this document, the current AYSO National Rules and Regulations related to the NAASA (North American Adult Soccer Association) Program and FIFA Laws of the Game will be used for the AYSO Area 11L adult league season with certain modifications and exceptions as outlined below.

B. The AYSO Area 11L will have jurisdiction over all games played.

C. AYSO Area 11L will

a. Create and manage Blue Sombrero portal for the adult program

b. Ensure that registered players meet the eligibility requirements

c. Collect all necessary fees (except for uniform and referee fees).

d. Player priority placement should be as follows:

i. Board members, referees (minimum hours required), coaches in any Area 11L regions

ii. Other volunteers – must complete 10 hours volunteering with any Area 11L region, or the Area itself, during the AYSO year (September-July). Players returning from the previous year will not be eligible to participate if this requirement was not completed during the previous year. Players returning from the Fall season for the Spring will not be eligible to participate if half of the requirement (5 hours) was not completed during the Fall season. (Interpretation – 1) you can't play in the Fall, do nothing and then play in the Spring claiming you will get all

of your hours in during that season. 2) Referees must be actively refereeing in the Fall primary season in order to play in the Spring – not just waiting for the Spring to do all of their games. A volunteer who performed 5 hours in the fall and 0 in the Spring may not play the following Fall. 4) A coach of a Fall team whose children do not play in the Spring, is eligible to play in the following Spring and may play again in the following Fall if they continue to volunteer that Fall.)

iii. NO GUEST PLAYERS ARE ALLOWED

- D. Each participating region is responsible for the following:
 - a. Verify that players are properly registered in their Region’s youth BSB system as volunteers, that they have passed their background investigation and meet the eligibility requirements based on volunteer activity.
- E. Referee judgment calls are NOT subject to dispute or protest!
- F. Misconducts are adjudicated by the current Area11L Misconduct coordinator.

The referees are instructed to card players who use profanity or who complain (dissent) by screaming or yelling exceptionally loud. Referees have the discretion of whether to issue a yellow card or a red card. Any foul or abusive language directed at match officials or the opponent will be an automatic 3 game suspension.

After the hearing, any additional game suspensions as determined by the disciplinary review board, if warranted, will be communicated to the player and team manager. A player’s conduct will be reviewed by the Discipline Committee upon receiving 2 or more Red Cards within one season. The Discipline Committee will review the player’s conduct and may suspend the player for additional game(s).

- * Any player receiving a red card as a result of a combination of yellows due to dissent will be suspended for the next two (2) scheduled games.

5. **Zero Tolerance with respect to Referee Abuse** – Referees are humans. Mistakes are bound to happen. Learn to live with it and adjust your playing style based on the referee’s style of officiating. If you disagree with a call you may respectfully disagree at your own peril. Persistent or extensive disagreement will result in a Yellow or a Red card. Any form of dissent that references or implies anything about a referee’s character, age, sex, or ethnicity will result in a Red card. The Discipline Committee will review all cases of Referee abuse and may suspend the player for additional games or expel the player from the league.
