Your support is greatly appreciated!

Parents,

It's a privilege to be the Head Varsity Baseball Coach @ Avonworth. Our staff and players will be hosting a baseball clinic where we will be instructing them on the following fundamental skills: hitting, bunting, throwing, outfield & infield play, base running, pitching, & catching.

We would appreciate your support for Avonworth's Baseball Program and Avonworth's Baseball Booster Association. In turn, we will help your child become a more knowledgeable baseball player and continue building a strong relationship with our community.

Thank you for your support,

Coach Pomposelli
