Re: High School Soccer Camp Reimbursement

*** PLEASE NOTE: Camp reimbursements are for students that will be entering grades 9-12 the following year and will be participating in a summer camp with the Senior High teams. In the event that a team camp is not available, players MAY be reimbursed for camps approved by their respective coach.

IASB will reimburse up to \$150 per player toward summer camp – we want to encourage as many players as possible to take advantage of this opportunity. The IASB Board has decided:

1. Reimbursement will be given directly to the soccer player's family.
2. In order to encourage participation in the soccer booster organization, reimbursement for soccer camps is based on volunteer participation. Please note your family's volunteer activities during the current school year and include an explanation and number of hours as necessary.

____ Coach (officially on roster during current year) @\$100/team/session

____ IASB Board or Chairperson, current year @\$100/position

____ Indoor student coach/volunteer @ \$50/session

____ Concession stand during TRACK SEASON ONLY, Spring 2016 @ \$15/hr.

Dates and hours worked:

____ Total (maximum \$150)

As you can see, it is very easy to qualify for the full camp reimbursement. We hope all players will take advantage of this generosity. Contact an IASB board member for a list of board positions & committees.
