Inaugural Kick-A-Thon Nets Over \$7K

The weather sure did make a tough go of our first annual Kick-A-Thon! Given the conditions, however, the results were great and very much appreciated! Just ten teams managed to raise \$7,302 towards safety improvements at Space Coast United. Imagine what we could have achieved had the rain stayed away a few more days (or weeks)!

We'd like to send a special word of thanks to Director of Coaching, Dean Flexton, and his Junior Division. They had 100% team participation and contributed 43% to the total sum raised. Way to go!

Fall Fun Day

Our Annual Fall Fun Day was held Saturday, October 29 and featured inflatables, games, music, prizes and food. Lots of food! It was a windy day, but absolutely gorgeous Florida fall weather. A huge thanks to the Brevard County Sherriff's Department for bringing their K-9s, our wonderful volunteers and our event coordinator, Carol-Ann Zarogian. A lot of work goes into creating such a successful event, but it's worth seeing the smiles on the faces. Congratulations to the Salazar family (bottom right), winners of the 4 Disney World Park Hopper passes!

SCU Sends Record No of Teams to Disney Junior Showcase

While Thanksgiving typically means turkey, American football, and family time, for our U12-U14 families it means soccer, soccer, and more soccer. The Disney Junior Soccer Showcase brings in elite teams from around the country, and some international ones as well. This year, our U12 Girls and Boys, U13 Boys, and U14 Girls and Boys participated in the exciting and challenging tournament.

Coach Dixon's U14 Girls competed in the PUMA Elite portion of the tournament pitting them against some formidable opponents. They went head to head with an ECNL team from FC Virginia, #6 in the state and from a club ranked top 20 nationally, only to fall 0-1 to an unlucky goal in the very last minute. Their schedule had them playing on Thanksgiving Day against the number 1 team in Georgia with an 0-4 result. Friday saw them face Utah Avalanche, third in their state, and take the lead shortly after the half, but ultimately lose once again by a single goal.

The girls' participation in the PUMA Elite enabled them to attend the PUMA summit where they got to attend classes and meet international players and top officials in women's soccer. Their playoffs crossover match ended the weekend on a high note as they beat California North team West Coast Soccer with a 1-0 shut out.

The U12 Academy Girls and Boys experienced their first Junior Showcase at Disney. While not posting any wins, the teams definitely held their own against some top teams from Georgia, Florida, and South Carolina. We didn't see any lopsided scores to indicate the players were out of their depths. Some hard work on these youngsters' parts and we'll see some great results in the coming years.

Coach Flexton's U13 Boys were thrilled to play their first international match. On Friday afternoon, they faced a tough team from Ottawa. After conceding 2 goals in the first half, they held the Canadians scoreless in the second half. They beat the number 11 team in Georgia 2-1 in a cracking game, and won over Davie United in a tight 1-0 match. Some marginal gains and more hard work could see this team break out and become a force to reckon with.

Coach Flexton's U14 Boys competed in the higher Showcase II Division which put them against the number 2 team in Kentucky, number 7 team in Texas North, and number 1 team in Wisconsin. They had a monster of a schedule! They battled hard and didn't let any of these teams walk away with a clean sheet. A good showing indeed.

President of the Board, Ann Fuller, went to Disney on Friday to watch the teams. She said, "It was such fun to watch our Space Coast players go up against some seriously tough competition. You can see the difference our coaching staff has made over the years. These age brackets are better prepared and fighting harder than ever to get results. We're well positioned to progress as teams and as a club."

"Space Coast had 5 teams competing at the Disney Junior Showcase, which is the most we have ever had. This shows how the club is growing and developing our program so we are able to compete at this high level of play. Particular mention should go to the U14 girls coached by Cal Dixon. They competed in the PUMA Elite division, a very high level bracket exclusively for PUMA clubs, and put on a very impressive showing. Also, the U13 boys came away from the tournament with 2 wins out of 3 games. It was a great weekend for Space Coast Soccer Club at such a high level and prestigious event."

- Dean Flexton, Director of Coaching, Junior Division

SCU Teams On Top at Phoenix Cup and Kohl's Cup

U16 Rec Squad at Kohl's Cup

Congratulations to Coach Nigel Murdoch and Tim Honeycutt's combined U16 Rec squad. They competed at the Brevard Recreational Classic Kohl's Cup at Max Rodes Park in West Melbourne this past weekend and represented SCU very well.

They ended up the best U16 team and placed fourth overall. They won their first game against Rockledge U16 by a score of 5-3 looking great on the pitch. Their next three games were against U19 teams, so they faced quite the challenge continuing to fight hard and play well. They easily matched the older teams, but ultimately lost the first two matches by tight scores of 2-3 and 1-2. According to Coach Murdoch, those were the types of games decided by conceding unlucky goals. Their final match was an exciting 1-1 draw with Rockledge U19 that delighted the spectators.

Coach Murdoch said, "Every player on the combined squad played with passion and determination, and should be proud of what they accomplished."

New Procedure for Spring Registration

Space Coast United has returned to the GotSoccer registration system we've used in the past. All players are required to be in GotSoccer by FYSA in order to be age-verified, added to rosters and issued player passes. Registering directly in GotSoccer will streamline the process.

What is new to you?

How to find your login

Go to the [Password Lookup](#) Page. Enter the e-mail you used to register (this could be an old one). An e-mail will be sent with your login info and a link to reset the password, if needed. If you are unable to retrieve the login, contact us at help@spacecoastsoccer.org and we will look it up for you.

If you have multiple players in the family, you will need to make a Family Account in order to receive the sibling discount. GotSoccer provides a [Family Account manual](#) that contains instructions.

SCU Player Assists Coast Guard Service Project

Julia Passarelli's father is currently deployed in the Pacific Ocean on the US Coast Guard Cutter Waesche (WMSL-751). In one of their recent port of calls in Costa Rica, they visited local schools delivering clothes, supplies, and soccer balls to the children. Julia, on Coach Potier's U16 Girls Select team, has been collecting soccer balls and gently used cleats for the last two years to send to underprivileged children in countries visited by the Coast Guard.

The press release posted by USCGC Waesche said, "Did you know that the Waesche's motto is "Strength. Endurance. Service." and her crew proudly devote time to uphold these values? With support from local churches in Alameda, CA and Space Coast United Soccer Club in Viera, FL, the crew collected gently used clothes, toys, books, and equipment in preparation for upcoming community relations events. Recently, Waesche had the opportunity to visit schools in underprivileged areas of Costa Rica to distribute the donations and spread the message to Costa Rica's youth about the importance of environmental conservations." That is a motto Space Coast United fully supports.

Julia's dedication to the sport and her deep rooted sense of community service is shared by her mother as well. Jennifer is the team manager for the U16 Girls Select team and has volunteered on behalf of Space Coast United for years. We're proud to have such a giving family as part of our soccer community. Thank You!

- We are committed to developing coaches and referees to the highest level through a quality instructional, licensing and mentoring program.
- We aim to ensure all of our players' personal goals are met whether they be enjoying recreational soccer, playing on an elite or premier competitive team, playing on your high school team, playing in college, or on a U.S. National team someday.
- We promote and encourage high standards of sportsmanship and fair play and strive to ensure all players are doing it "For the love of the Game!"

Volunteer of the Month

JOHN EATON

Since we are a 501(c)3 not-for-profit organization, high school students who volunteer for Space Coast United can count their hours towards the service component of the Bright Futures Scholarship.

John Eaton has been a player for Space Coast United since 2005; progressing from Minikickers through YDP and now competing on our U16 NPL Travel squad. Several years ago, he decided he wanted to give back to the club that gave him so much and learning it relied so heavily on volun-

teers, was eager to help out in any way he could.

For three years in a row, John has volunteered almost double the number of hours required for the Bright Futures program. He particularly enjoys helping out our youngest players at the summer, spring break and winter camps, but has also logged hours manning raffle tables, assisting at tryout registration, posting scores at our 3v3 tournament and more.

John is currently a Freshman at West Shore High School and plays on their Varsity soccer team.

Space Coast United routinely e-mails and publicizes volunteer opportunities, through social media so if your teenager would like to help out, let them know.
