

# Scheduling of Games

The number of games each team will play will be determined by the number of fields available and the number of weeks that can be allocated to soccer games. If there is a SAYArea or State Tournament planned, league play must be completed in time for tournament play.

To assist in making out the league schedules, the following keys are offered and should make an otherwise difficult job relatively easy.

**Game Schedule Key:** 8 game schedule (Teams Play 8 games each – 4 as home team, 4 as visiting team)  
**Note:** It is recommended that leagues not be formed with more than 9 teams when playing an 8 game schedule.
