

NASA TopHat Soccer Financial Aid Application

NASATopHat is pleased to offer a financial aid program for soccer athletes who are in need of financial assistance in order to play soccer. This program is available to all youth, and a formal evaluation process will be initiated once the parents or guardians of the player complete and submit an application and supporting documentation. The amount of assistance is limited each year, and based on availability on a first-come, first-served basis. The Financial Aid committee may have to make qualifying adjustments based on the availability of funds. Following this review, the applicant will be notified regarding their eligibility. Financial Aid is granted based on financial need only, and is not based on playing ability. NASATopHat Financial Aid may cover club fees, registration, select, and coaching fees only.

In order to determine eligibility of select and academy players before signing night, completed Financial Aid requests must be received by the Select Registrar no later than the final night of try-outs. Applications received after that point will be considered, but may not be determined by signing night.

All Financial Aid requests are strictly confidential. Information is for the sole purpose of helping the NASA TopHat Financial Aid Committee determine financial aid eligibility, and will not be shared with anyone except the Financial Aid Committee and the Club Registrar. In addition to the Financial Aid Application, please submit a photocopy of the front page of the parent or guardian's most recent Federal Income Tax return, W-2, and paycheck stub. **Please remember to white out any social security numbers on the copy of your tax return.** Please return the completed application and supporting documentation to:

Expectations:

NASATopHat offers "working Financial Aid." *Families receiving aid are required to volunteer additional hours at the club.* The player or player's family will work in the club at some level as a trade-off for receiving Financial Aid. Any volunteer hours will be credited towards fees, reducing the financial aid and helping the club out at the same time. Unusual circumstances will be evaluated on an individual basis, and exemptions granted based on Financial Aid Committee approval. It is our intention for every child who wants to play soccer to be able to play, and at the same time secure the continued financial resources to do so.

Types of Financial Aid:

Payment Plan – This is not a scholarship in that it does not reduce fees owed to the club, but allows a family to pay fees on a customized schedule rather than the schedule provided to players at large.

Financial Aid – Financial Aid covers registration fees, select fee, and coaching fees and can range from 25% to 75% of these fees based on need-based eligibility and available financial aid funds.

Please note that Financial Aid provided by the club does not cover uniforms, team fees and expenses, tournaments, travel expenses, or other expenses that may be incurred playing soccer. Each player is responsible for their share of team expenses and their own travel expenses. Contact your team manager for an estimate of these expenses.
