

# KAU Little League Sponsorship Packet

Providing a positive youth baseball and softball experience in our local community since 1952

# KAU Little League Sponsorship Information

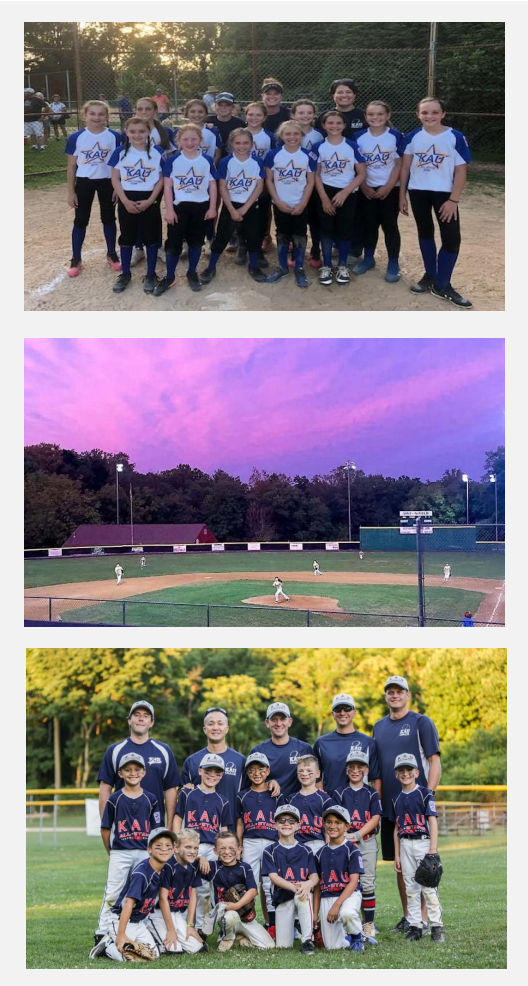

**THANK YOU** for your interest in supporting KAU Little League as a Sponsor. Since 1952 KAU has provided youth baseball and softball programs for our local community. KAU is open children ages 4 to 16 years old for families who reside or attend schools within Kennett and Unionville school districts.

KAU is a non-profit organization completely staffed by volunteers and we're very grateful for support from our membership, sponsors and community partners. Specifically, sponsorships help maintain and grow our league and the families we serve in the following ways:

- Help with operational costs from year-to-year such as utilities, field maintenance, equipment, and uniforms
- Support much needed improvements to our facilities such as field re-sodding, new fencing, dugout repairs, and lighting fixes
- Contribute to capital improvements such as upgrades to our indoor practice facility, outdoor batting cages, and a new Snack Shack (hopefully coming in 2020!)
- Support other programs such as player development clinics, our Challenger Baseball program, and coaching training

KAU is more than just a Little League - we're a community organization grown together over many generations - and working to build an even better experience for the generations still to come. We know that you have many choices but please consider becoming a Sponsor today!

# KAU Little League Sponsorship Options
