Children play to have FUN! Adults often introduce the idea that it is only fun if you win or if you play a perfect game just like the pros. AGBL basketball is to be fun no matter the score. Participants are always winners.

If any adult screams at, criticizes or verbally abuses a child, coach or official during a game that is being played for fun, that adult whether a parent or coach should not be involved in this program and will be asked to leave.

The Aboite Girls Basketball League thanks you for your cooperation.
