To: Youth Basketball Board of Directors

I am writing to thank you for the financial support you provide to our Junior High Athletic Program. As you all know, the District has not been able to fund Junior High sports for several years now. Thanks to you and the generosity and efforts of many others we have been able to continue to provide an opportunity for young athletes to experience inter-scholastic competition which translates to school pride. Your involvement with youth is much appreciated.

Sincerely,

William F. Murray
