HLL TOURNAMENT TEAM COMMITMENT POLICY AGREEMENT

To be selected to participate on an Hartnell Little League (HLL) ALL Star team is an honor and a privilege. It represents the culmination of a season-long effort on behalf of our players, our manager and coaches and a great volunteer staff. It is also the time to recognize, in particular, those players who have consistently sustained a level of performance above all others and who have demonstrated exceptional sportsmanship and leadership abilities in and around the league.

Prior to participation in any practices and/or games, the parents of selected tournament players and players, themselves, must acknowledge and agree to the following HLL Tournament Commandment Policy.

The Policy

From the official start of practice through the end of the tournament, each player is required to attend **ALL** practices and tournaments games. Realizing that there may be “unforeseen” circumstances which may prohibit a player completely fulfilling his/her commitment, each player is permitted the following:

1. **A maximum of THREE EXCUSED ABSENCES** (illness, medical appointment, or family emergency) where either a practice or a game is missed. Of these three absences, only **ONE** of them may result in a missed game.
2. **A maximum of ONE UNEXCUSED ABSENCES** (absent without notifying the manager or coach *at least two (2) hours prior*) where either a practice or a game is missed.

If, after accepting a place on the tournament team by returning a signed agreement, any player who breaches his/her commitment to the team by violating one or more of the rules detailed above may be immediately replaced on the team by the next eligible player.
