- Acceptance of a roster spot commits the player to the team for the 2020-21 soccer year.
- Acceptance of a roster position commits the player's family financially to the player's Club Fees. The Commitment Fee shall be non-refundable. Requests for refunds of fees beyond the commitment fee will be considered in extreme circumstances such as season-ending injury or family relocation outside the area. Requests for a refund must be made to the Board of Directors and will be evaluated on a case-by-case basis.
- For a player's account which becomes delinquent during the year, HCSA will confiscate the NCYSA Member Pass (player card) thus suspending all player privileges including tryouts, training, matches and tournaments until the account balance is in good standing.
- Players will not be released from HCSA unless Travel Team Fees are paid in full at the time of the request.
- Families with multiple players receive a discount on fees for all players after the first. The discount will be 15% AFTER the first child.
