

Tri-Cities United Soccer Club 2019-2020

Fee Structure

Tri-Cities United Soccer Club has now implemented two types of fees: club fees and team fees. This will allow teams to have more flexibility in their schedule. Club fees are applied to all select/premier players and are paid directly to TCU through blue sombrero. Team Fees are also applied to all select/premier players and are paid directly to your child's team manager.

CLUB FEES

Paid online at www.tri-citiessoccer.org

Club Administrator Jinny Baker, admin@tri-citiessoccer.org

The financial commitment begins when a player is selected and accepts a position on a TCU select/premier team. See fee chart below for current club fees. This does not include team fees or uniform kit.

Fee Explanation: TCU collects club fees from every select/premier player in the club. This fee is necessary to cover the costs to run our soccer club. These costs include the expenses related to insurance fees, online registration, TSSA registration fees, field usage, maintenance fees, administrative costs, coaching staff, and other overhead expenses necessary to maintain the organization. Families with multiple players in the select/premier program will receive a \$100 sibling discount on club fees after the first player is registered.

PAYMENT PLANS

An initial payment of \$150 is required to accept placement for the 2019-2020 season and is processed through online registration with blue sombrero. Payment of club fees can be made in full, or payment plan can be selected at time of registration. If you select the payment plan, it is your responsibility to make payments on time and keep credit card information updated. Delinquent payments can result in player being suspended from games and training. The payment plan schedule will be based upon the age group and length of season for each team.

UNIFORMS

Each player is responsible for purchasing the required TCU uniform kit, including practice shirt from soccer.com. Our uniforms run on a two-year cycle. The 2019-20 season will be the last year for the current cycle.

TEAM FEES

Paid directly to team manager (cash, check, or online through Team Snap)

Team fees are unique to each team. A team budget will be prepared and distributed to the team during the summer. Each team will have a Fall budget and Spring budget (Exception is high school teams) outlining the expected expenses and payment due dates. Team funds will be deposited into the team checking account.

Team fees cover the following costs.

1. Tournament Entry/Online Check In Fee
2. Referee Fees
3. Coach Reimbursement Expenses for hotels, mileage, meals
4. League Fees (Knoxville Premier League, Tennessee State League)
5. Misc Fees- Coach gift, team party

Fee Explanation: Each TCU team has their own checking account, which is managed by a team manager, with oversight from the TCU treasurer. All players are responsible for the team budget. *If a player cannot attend a tournament or game, he/she is still responsible for the associated costs.* Failure to pay team fees can result in player not being allowed to attend games and/or tournaments. The amount of team fees will differ from team to team based on the age group, level of play, and scheduled tournaments.

FINANCIAL ASSISTANCE

TCU provides need-based scholarships to players who would not be able to play without assistance. Scholarships are based on demonstrated financial need and vary in amount and will only be applied to the Club Fees. Please contact Jinny Baker for more information.
