

HVYBSL Volunteer Deposit

A volunteer, non-profit community organization such as HVYBSL can only function with the contributions of its many members. It is expected for each HVYBSL family to pitch in and assist in some way throughout the season including Field Clean-Up Day. HVYBSL greatly appreciates all the people who give generously of their time to make the season the best it can be for all our children.

One of the biggest needs for manpower however is in our concession stands. Over 70 volunteers are needed each week at our three stands. The revenue from the stands is a vital part of league finances. **Each HVYBSL family is asked to work one shift per player in the concession stand during the season.** Other volunteer opportunities may be offered as well – check the website or ask your coach.

A \$100 check per family will be held as a deposit pending completion of this requirement. This will be destroyed once your time has been completed and verified (via sign in sheet at the stand). Any remaining checks held by the league after June 27th will be deposited.

Coaches and Board/Committee Members are exempt from providing a deposit as their contributions far exceed the minimum amount requested. Assistant Coaches and Score Keeper must be registered as such on the league website. All our volunteers and their efforts are much needed and greatly appreciated!

Deposits are due immediately for all divisions in baseball, softball and T-ball. Deposits may be turned in at Spring Training or mailed to the league (address below). Checks received without forms will be assumed to be Opt-Out payments and will be cashed immediately.

Please include a check made out to HVYBSL for \$100 and include your player's name in the memo field.
