

Dear Parents & Coaches,

AYBS is pleased to announce our continued affiliation with the Positive Coaching Alliance (PCA) for the 2019 season. We believe every participant deserves a fun, positive and educational youth sports experience. We recognize that our coaches, consisting mainly of parent volunteers, have the most immediate impact on our players' experience. We utilize the PCA and their resources to help provide our coaches with the tools and references to help make the player's experience a positive one.

As part of our affiliation, AYBS invites you to join us and Chris Fay of the PCA for an upcoming interactive workshop. This multi-faceted workshop will begin with a discussion around dual-goal coaching, second-goal parenting and how the power of positive on the baseball field helps bring a better life off the field. The second half of the workshop will be focused on methods for teaching baseball specific skills and fundamentals.

Attendance by both coaches AND parents is highly encouraged.
