

# RCLL Spring 2017 Parent Handout Packet

Hello Reno Continental families and welcome to the spring 2017 season of Little League baseball. We are all excited to get back to playing ball, but first, we have to take care of some red tape. Attached are all the forms that need to be filled out and returned or just read before your son or daughter can play with us this year at Jack Tighe Fields.

Thanks for your time,  
Dave Walden
