

"Get in the Game!"
UMPIRE
for
Mansfield-Ashford Little League
Baseball & Softball

Mansfield-Ashford Little League Baseball and Softball is looking for people who would like to contribute to the success of our leagues by serving as umpires. The Umpire Committee of the Mansfield-Ashford Little League will conduct a training clinic this spring that will help prepare any motivated students or parents to become Little League umpires.

Adults, students in high school and college, eighth graders and mature, motivated seventh graders, are invited to learn skills and study rules that will enable them to officiate games evenings and weekends during our spring, summer and fall seasons. Our umpires are volunteers, and are compensated by the league for travel, training, uniforms and expenses.

Our training will prepare you to get the calls right and keep the games safe, fair and fun. This training can lead to years of involvement in sports officiating at many competitive levels. Candidates must complete and submit the Clinic Application Form on the back of this page.
