

Family/Volunteer Code of Conduct

The East Bay Buccaneers organization was organized to sponsor and promote youth sports activities for children in the surrounding community. Currently, our organization provides the opportunity for boys and girls to participate in a well-organized and highly structured football and cheerleading program. Our goal is to develop and encourage our youth the American principles of community and personal loyalty, teamwork and constructive effort, the spirit of competition, principles of fair play, and physical and mental discipline. It is for the welfare of all the children involved with our organization that we have implemented the Family Rules of Conduct. We ask that you please inform everyone in your family concerning these Rules of Conduct because when you sign, you will be signing for everyone in your family, not just yourself.

- 1) As a part of the East Bay Bucs organization, you will be required to actively participate in all league fund-raisers.
- 2) The use of any banned substances as defined by law, tobacco or alcoholic beverage or any evidence of while attending any TCYFCC and East Bay Bucs function is strictly prohibited.
- 3) Inappropriate physical confrontations or threats of physical confrontation (including but not limited to posturing, antagonizing, intimidating & fighting) will not be tolerated.
- 4) Inappropriate verbal comments, racial slurs, profanity; towards coaches, football players, cheerleaders, officials, directors, and/or other parents are STRICTLY PROHIBITED.
- 5) Any parent/family member volunteering as team mom, dad, etc, shall be subject to a Hillsborough County Background check and must take a Hillsborough County Certification Course.
- 6) If there are any complaints not resolved by the coaching staff, then the complaint shall be submitted in writing to ebbucs.org@gmail.com for committee review. Please follow the proper chain of command as not doing so will likely delay your response from the board as everyone on the committee will need to be informed of the complaint to reach a decision.
- 7) You will not be able to start practicing with your team until ALL paperwork and registration money is turned in.
- 8) Please no video posting on social media such as Facebook, Instagram, twitter, etc. This is just a precaution, we would hate for other leagues to have an advantage by viewing our practices, plays in football, or cheerleading routines.

These rules apply to any volunteer and/or family member whether or not they have a child/relative participating within the East Bay Buccaneer organization. Violation of any rules may result in a verbal reprimand or suspension and/or dismissal of volunteer/parent/relative

AND CHILD from the East Bay Buccaneers football league with a forfeiture of all registration fees.
