

May 3, 2020

Hello South Portage Little League Families-

We hope that this email finds everyone safe and healthy as we continue this period of time with no Baseball or Softball at SPLL. As promised in our last message, we want to keep you informed as to our current 2020 season status.

We continue to be in a **wait and see** position for our 2020 regular season. As you may have heard, Little League International cancelled the post-season tournaments (Little League World Series) for this year. Leagues are still encouraged to hold regular seasons for players - of course, still following the recommended guidelines from the CDC and local government directions. We are optimistic that we can still have some form of season at SPLL.

Since this is all new to us - **WE NEED YOUR FEEDBACK**. Below is a link to a **survey** that we ask everyone to complete in the next 7-10 days. Under current orders, we are unable to play ball until May 29 - at the earliest. We have some schedule drafts that we would like to share - and get your feedback on. We also need to better understand your interests in proceeding - regardless of our decision for a season. PLEASE complete the survey via the link below ASAP.

The SPLL Board meets again on May 17, and will have another update for everyone soon afterwards. Please be on the lookout for this update via email or posted on our Facebook page around May 18.

Should you be in a financial situation where you need a refund of your registration, please contact us ASAP.

Thank you for your patience - we appreciate your understanding!
~SPLL Board of Directors
