Dear Little League Sponsor/Community Leader:

In 2019 Greece Little League completed its 66th year of operation in the Town of Greece. The 2020 season planning is underway for another exciting and fun filled season (April through October) covering regular, tournament and fall ball activities.

Greece Little League offers baseball and softball programs for both boys and girls ages 4 through 16 who reside in the Town of Greece, Village of Hilton, Charlotte and within league boundaries. For the 2019 season we had over 600 youth, 500 families and many relatives and friends who attend games played at our complex on Latta Rd as well as Town fields. We are most proud of our Challenger program for mentally and physically challenged youth. A good number of our teams travel to other LL programs in Monroe County and likewise they reciprocate during regular and, tournament and fall ball seasons (for 2020 we will participate in District 4 - Monroe County travel program as Greece Tornadoes – for the ninth year).

Our complex, owned by our league, houses 8 fields and a T-Ball area. GLL is a 501 (c) (3) not for profit corporation with annual audited financial review. We receive no funding from the town. League income comes from registration fees, special events, concessions, donations and from many business sponsors. We had 66 total sponsors in 2019 including 39 outfield fence banners. The banners are hung mid-April through mid-October. In addition this past year all sponsors were recognized via social media sent to all families. Our sponsor form lists the options available and we will consider any possibility including in-kind donations. Our league also receives funding from Greece Rotary for our Challenger program and there is an option shown on our form for support of the golf tournament via a 2 hole sponsor. You can check out our website at www.grecelittleleague.com for a list of current supporters. Again for 2020 is an option to place business names on the back of jerseys (29 sold in 2019) on a first come first served basis as the number of teams may be limited.

Please consider lending your support to Greece Little League's youth program for 2020. Can there be a better investment in our future than our youth? Sponsor income helps keep our program affordable and open to everyone that wants to play as well as helping make improvements to our complex. In 2019 we made electrical and kitchen improvements to our concession building, sealed our asphalt pathways, improved field conditions and started a senior Challenger division. Should you have any questions or suggestions I can be reached at 703-6642 (cell) or 663-7024 (home).

On behalf of our youth participants and their families plus our Board of Directors THANK YOU for your consideration and time. For our increasing number of supporters we sincerely appreciate your support.

Kindest Regards,

Gene Noga
Sponsor Coordinator
