

Traverse City Little League Eligibility

In order for a player to play in the Traverse City East or Traverse City West Leagues they must reside within the boundaries of the league or attend a school within that league's boundaries. If a player lives within the boundaries of one league and goes to a school within the boundaries of another league they then have the option to choose the league they want to play in. Below are the boundaries and schools that qualifies a player for each league.

Residency Eligibility for Traverse City East Little League

Qualifying based on residency

A player will be deemed to reside within the league boundaries if:

- His/her parents are living together and are residing within such league boundaries, OR;
- Either of the player's parents (or his/her court-appointed legal guardian) reside within such boundaries.

Upon request residence shall be established and supported by documents, dated or in force between February 1 (previous year) and February 1 (current year).

The map below shows the Traverse City East League boundaries.

Qualifying based on the school player attends

Players residing outside of a league boundary still qualify to play in that league if their school is within the boundary. If a player lives outside the league boundary, but qualifies for a league based on their school location documentation will be required.

Players attending the schools below for the current school year prior to October 1 qualify to play in the Traverse City East League.
