Dear Area Business Person,

The Nazareth Clippers Athletic Association is looking for your support. We are the oldest and longest running youth sports organization in Nazareth and need your help to continue to provide the quality programs we do to the children of Nazareth.

As with everything, cost to run our different sports programs are increasing and we are looking for local businesses to join with us in an effort to reach our goals. Our organization offers sports programs to an average of 300+ families in each of our spring and fall seasons, all of which live in the Nazareth Area School District, ranging from Pre-K through High School.

By your business supporting our organization will expose you to hundreds of local families who understand the importance of giving back to the businesses that help our organization. Another huge benefit to your business is that our organization is one of the only youth sports organizations in Nazareth that has a 501(c)3 charitable organization designation which will allow your contribution to be a tax deductible donation for your business.

Enclosed you will find information about our different sponsorship levels as well as our contact information. If you have any questions please feel free to contact us.

Thank you in advance for your support!

Donations in Kind

Nazareth Clippers would like to leverage our 501(c)3 status with the local businesses in our community. If you can provide a service to our organization you would be able to write off your expense and not charge us for the work. This is a great way to give back to your community and help keep our operating costs down.

Web Page Advertising

Nazareth Clippers utilizes a professional looking website as a hub of information and registration for all of our youth sports programs. Your business will be prominently featured on our website for our hundreds of families to see who is supporting our organization.
