Dear Sponsor,

Triple Crown Sports Academy (TCSA) humbly appeals to your generosity and asks that you consider our organization worthy of your charitable donation. TCSA is a non-profit baseball academy serving the youth of Central Florida. The academy's mission is to promote good sportsmanship, physical and mental development through healthy, organized travel ball competition and teamwork for 8 -15 year olds.

Triple Crown Sports Academy works with over 50 players teaching the basic fundamentals of baseball and providing excellent physical challenges. These accomplishments are under the direction of volunteer coaches. It is our vision to continue growing the academy.

Each year we strive to keep monthly dues at an affordable rate for our players. Your sponsorship and/or donation will help to keep those dues down. It will also help with many other expenses, which include purchasing new baseball equipment, uniforms, field rental as well as facility maintenance.

Triple Crown Sports Academy is a registered Florida 501 c(3) Charitable Organization and all donations are tax deductible (EIN 47-1934648).

We hope we can count on you to support our young baseball athletes. Please fill out the form below and contact Omir Santos at triplecrownsportsacademy@yahoo.com or 407.922.0252, to accept your donation.

Sincerely,

Omir Santos
