BUILDING A STRONG FOUNDATION:

Pop Warner remains the only youth sports organization to require academic proficiency as a prerequisite for participation. On the field or the performance floor, too, our commitment goes far beyond the quest for an award winning routine.

WE STRIVE TO:

- Ensure a safe and positive environment for all participants.
- Instill life-long values of teamwork, dedication and a strong work ethic.

IN SEEKING A POSITIVE EXPERIENCE FOR ALL PARTICIPANTS, POP WARNER:

- does not hold tryouts, keep statistics or allow cutting of rosters.
- provides coaching for youth participants.
- enforces stringent mandatory equipment requirements.
- employs a full-time executive staff that supports the local organizations and maintains sound, equitable policies.
- offers payment plans or reduced/waived fees for hardship requests in many locations.

POP WARNER PROGRAMS:

CHEER AND DANCE:

Pop Warner Spirit teams have participated for several decades on the football sidelines, however, cheerleading was not officially introduced until the 1970's. Today, thousands participate in Pop Warner Cheerleading and Dance teams around the United States.

The Cheer and Dance Program offers teams a wide range of opportunity for young athletes at all skill levels. Pop Warner has established one set of spirit rules along with JAMZ, the Pop Warner Education Development Partner and the original developer of Youth Cheer and Dance Alliance (YCADA). Together with YCADA, Pop Warner is able to provide online educational courses for its coaches, administrators and judges on team skill levels.

With continued education, the Pop Warner Coaching Staff provides basic instruction, training and conditioning for both football games and competition. Teams participate on the sidelines at football games for home and most away games. In addition to Game Day, teams participate in qualifying spirit events (League & Region) through to a Pop Warner National Championship. The Pop Warner National Cheer and Dance Championships are held in December at the ESPN Wide World of Sports Complex.

THE CHALLENGER PROGRAM:

The mission of the Pop Warner Challenger Division is to bring the Pop Warner experience to those special needs individuals. Pop Warner's overall goals are to enable young people to benefit from participation in team sports and activities in a safe and structured environment on the sidelines cheering on the local football team or performing as a team before a Pop Warner audience.

- The Challenger Division includes children ages 5 to 18 with physical or mental disabilities who are currently enrolled in school.
- The Challenger Division follows Pop Warner Cheer & Dance Rules with proper skill progression under direct coaching supervision.
