

COVID-19 PROTOCOLS

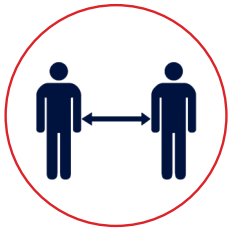

2020 National Cheer & Dance Championships

All guests, participants and event staff members are asked to comply with the following protocols:

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Appropriate face coverings will be required for guests, participants and staff members at all times, unless performing or eating in a stationary location.

PHYSICAL DISTANCING

In public areas, guests, participants and staff must practice physical distancing by standing at least six feet away from other individuals. **No more than 10 people can be in a single group.** No handshakes or other forms of physical greetings will be allowed.

TEMPERATURE SCREENING

Temperature screening will be mandatory at all venue entrances. Anyone with a confirmed temperature of 100° or higher will not be admitted and directed to an isolated area within the venue for further assistance.

All guests should be aware of and comply with government guidelines regarding travel restrictions and mandatory quarantines before arriving. By entering any of the venues used for the 2020 National Cheer & Dance Championships, guests and participants voluntarily assume all risks related to exposure.

Due to the evolving nature of the situation, all details are subject to change in accordance with local, state and CDC guidelines.

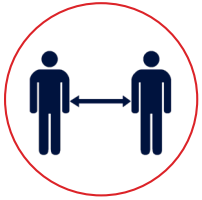

Pop Warner and Florida Citrus Sports will be working closely with event venues on enhanced health and safety procedures for the National Cheer & Dance Championships:

The frequency of cleaning and sanitizing will be increased in all public spaces with an emphasis on frequent contact surfaces including countertops, escalators, elevators, elevator buttons, vending machines, door handles, public bathrooms, ATMs, stair and escalator handrails, dining surfaces and all seating areas and tables.

Hand sanitizing dispensers -- touchless whenever possible -- will be placed in high contact areas such as entrance/exit points, public bathrooms and dining areas.

Furniture and other physical layouts will be arranged to ensure appropriate distancing.

All meeting rooms will comply with, or exceed, local or state mandated occupancy limits. Non-contracted spaces will be monitored by security.

Signage will strongly encourage guests to follow CDC regulations and be positioned in prominent areas including elevators, restrooms and entrance/exit points. Floor markers will also be placed in all line areas to remind guests to keep a six-foot distance. Any signage posted by the venue may not be covered or obstructed with event signage/objects.

For additional health and safety guidelines, please visit
www.CDC.Gov/Coronavirus.

We appreciate your cooperation during this time.
