

# Pop Warner Background Screening PRICING INCENTIVE

As a Pop Warner participating league, screening your coaches is a mandatory component to help protect your reputation, assets, people and create safe environments for everyone.

As a reminder, through the Pop Warner/Verified Volunteers partnership, we are offering a special cost savings that will allow leagues to take advantage of lower pricing without sacrificing the integrity of a quality background check. This opportunity will be honored throughout 2018 and it is to encourage smarter screening.

We are confident that through our partnership, this valuable initiative will help you implement a quality background screening program to promote safer coaching.

## Special Volume Pricing

### How does it work? It's simple:

To qualify for a lower price for each coach, pool your associations/leagues together in your region to achieve a higher annual screening volume of coaches. Relay that volume to Verified Volunteers and we will help set-up your account. Once your account is set-up, you will be able screen all your coaches via a seamless bulk ordering process or by league, whichever you prefer.
