

2020 Wolcott Youth Football & Cheer Association (WYFCA)
Football Player Rules

1. **REGISTRATION:** When possible registration will take place each year in the spring as deemed by the WYFCA Board of Directors or Executive Board. Registration will be held online only with 2-3 paperwork collection dates.
2. **TEAM PLACEMENT OF PARTICIPANTS:** Placement of participants on a team is based on grade and age using guidelines set forth by the National organization or WYFCA governing bodies. A participant's placement on a team will be done after registration has finished. A team's roster will remain preliminary and not become final until it is reviewed by the WYFCA Board of Directors and/or Executive Board. In the case of multiple teams in a division, it is the WYFCA Board of Director's right to choose the player's method of placement on a roster.
3. **PRIMARY SPORT:** While we encourage our participants to be active in other sports, we do not recognize any other sport taking priority over WYFCA/Football program from August 1 until after the final competition of the season. The only accepted exception will be those who have a prior commitment to Little League Baseball or Softball and are involved in post-season play after August 1st. ALL football related obligations (practice, games, and competitions) will be viewed as priority functions over athletic or social activities.

If there is a situation, the Head Coach will place a call to the parents of the child(ren) involved. If the problem continues, action will be taken to rectify the situation.
