

RETURN TO PLAY FOR CHEER AND DANCE TEAMS

We acknowledge that Phases for each state and county may not coincide with this 'Return to Play' policy. For each phase, state/ local guidelines take precedence if they are more restrictive than this phased approach. We acknowledge that some Regions, Leagues or Associations will be allowed by their State/Local guidelines to progress to Stage 4 more rapidly than others.

For all Phases: If Sick or Cough Stay Home: If a child has had flu symptoms (fever > 100° F, cough, chills, sore throat, body aches, tiredness, difficulty breathing, loss of taste/smell, etc.), they should not attend and a parent should contact their healthcare provider.

Phase 1:

Virtual Training - Stay at Home Order

CDC Recommendations

- **Advise Sick Individuals of Home Isolation Criteria**
 - Sick coaches, staff members, umpires/officials, or players should not return until they have met CDC's criteria to discontinue home isolation.
- **Isolate and Transport Those Who are Sick**
 - Make sure that coaches, staff, officials, players, and families know that sick individuals should not attend the youth sports activity, and that they should notify youth sports officials (e.g., the COVID-19 point of contact) if they (staff) or their child (families) become sick with COVID-19 symptoms, test positive for COVID-19, or have been exposed to someone with COVID-19 symptoms or a confirmed or suspected case.
 - Immediately separate coaches, staff, officials, and players with COVID-19 symptoms (i.e., fever, cough, shortness of breath) at any youth sports activity. Individuals who are sick should go home or to a healthcare facility, depending on how severe their symptoms are, and follow CDC guidance for caring for oneself and others who are sick. Individuals who have had close contact with a person who has symptoms should be separated and sent home as well, and follow CDC guidance for community-related exposure (see "Notify Health Officials and Close Contacts" below). If symptoms develop, individuals and families should follow CDC guidance for caring for oneself and others who are sick.
 - Establish procedures for safely transporting anyone who is sick to their home or to a healthcare facility. If you are calling an ambulance or bringing someone to the hospital, try to call first to alert them that the person may have COVID-19.
- **Clean and Disinfect**

- Close off areas used by a sick person and do not use these areas until after cleaning and disinfecting them (for outdoor areas, this includes surfaces or shared objects in the area, if applicable).
- Wait at least 24 hours before cleaning and disinfecting. If 24 hours is not feasible, wait as long as possible. Ensure safe and correct use and storage of cleaning and disinfection products, including storing them securely away from children.
- **Notify Health Officials and Close Contacts**
 - In accordance with state and local privacy and confidentiality laws and regulations, youth sports organizations should notify local health officials, youth sports program staff, umpires/officials, and families immediately of any case of COVID-19 while maintaining confidentiality in accordance with the Americans with Disabilities Act (ADA) and other applicable laws and regulations.
 - Work with local health officials to develop a reporting system (e.g., letter) youth sports organizations can use to notify health officials and close contacts of cases of COVID-19.
 - Advise those who have had close contact with a person diagnosed with COVID-19 to stay home and self-monitor for symptoms, and to follow CDC guidance if symptoms develop.
- **Those with a [high-risk for severe illness](#) should defer activity until Stage 3**

COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread from person-to-person contact. Federal, state, and local governments and health agencies recommend social distancing and have, in many areas, prohibited group activities.

Pop Warner is taking steps to reduce the spread of COVID-19; however, Pop Warner cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending Pop Warner activity could increase the risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending Pop Warner activity and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 may result from the act, omission, or negligence of myself and others, including, but not limited to, Pop Warner volunteers, and other participants and their families.

I voluntarily agree to assume the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may incur by reason of Pop Warner activity (“Claims”). On my behalf, and on behalf of my children, I hereby release and covenant not to sue Pop Warner, its affiliated organizations, employees, volunteers, agents, and representatives, of and from the Claims.
