What a joy it is to have Brady in my class this school year! He has a love for learning and excels in all that he does. I am proud of him! Keep up the excellent work!	Brady is self motivated and continues to thrive in the classroom. He works exceedingly well on grade level and does commendable work.	Brady is a fourth grader who truly shines. He is inquisitive, highly self motivated, a good thinker, and enjoys problem solving and undertaking challenging tasks. Our class would not be the same without him. I am looking forward to seeing all that Brady accomplishes in the last quarter.	You have had a successful school year. I am proud of all that you have accomplished. Continue to reach for the stars. Best wishes in fifth grade and in all that you do.
