

# Work-Bond Agreement

Freehold Boro Little League (FBLL) depends on the help of our families and the community to keep Freehold Boro children playing local baseball. We are asking all families to support FBLL by completing their fair share of getting the fields ready, the snack stand prepped, and other various tasks required to have the complex ready and operational for the coming season.

This year we are requiring you to complete 8 hours of service to fulfill your work-bond agreement. When you complete your required hours, your \$100.00 will be returned to you promptly. It is not our intention to keep anyone's money, but you will forfeit the bond if you do not complete your 8 hours. Your help is greatly appreciated.

You may opt out of the participation by completing the required form and surrendering the 100.00.

By signing below you acknowledge the requirements above. You can also decide not to complete your 8 hours of services by checking the appropriate space and signing on the line, giving the league your \$100.00.

I understand the above. \_\_\_\_\_

\_\_\_\_\_ I have decided not to do the 8 hours of service. You can keep the \$100.00 work-bond fee.
