

CODE OF CONDUCT

The goal of the NTAA is to provide a safe, fun learning environment for the youth of our community. We strive to create an opportunity for kids to work together as a team toward common goals. We emphasize sportsmanship, teamwork and respect for authority figures (Board Members, Coaches, and Game Officials). Our focus is on developing good life skills through the sports of football, cheerleading and lacrosse.

NTAA will not tolerate verbal or physical abuse of its volunteer coaches, referees, or players from any Parent, Player, or Spectator. Spectators, as well as the players and coaches, are expected to abide by the code of conduct described here at all NTAA events. While most of the adults and children in the program will abide by this code without being instructed, it is being published to protect the children, the integrity of our program, and emphasize the values of NTAA

Coaches Code of Conduct

As a Team Coach, you (through your actions and words) set the example for your players, parents/guardians, and spectators. You set the tone and lead by example. Read the players, spectators, and parents Code. Understand what is being asked of all participants in your sport. Actively promote these Codes. Coaches must place the well-being and safety of each player above all other considerations, including the development of performance. Ensure that each player is correctly dressed with the necessary safety equipment (helmet, mouthpiece, pads, etc.) before being allowed to play. Get treatment for an injured player immediately. Co-operate fully with medical personnel in the best interest of the player. Never either physically or mentally push children beyond their abilities. The game is of minor consideration when compared to the child's future health and well-being. Encourage and guide players to accept responsibility for their own behavior and performance. Never condone unacceptable behavior. Accept the decisions of the game officials on the field as being fair and called to the best ability of said officials. The officials are in charge of all games; their decisions are final. Always be prompt, courteous, and direct when dealing with the League Officials, opposition Coaches, and Referees. Obey NESYA Official Rules and assist your players and parents in understanding them. All coaches must be certified through USA Football.

Agree to a background screening of your application with regards to your suitability to work with children.
