Important "fine print" rules to remember:

- 1) Printed flyers are required in order to receive credit for your group.
- 2) It is up to your organization to distribute the flyers. The more you distribute, the more you get back!
- 3) Our staff cannot give you extra flyers the day of the event.
- 4) Your participants must have the flyer when they walk in. Flyer distribution is not permitted in the restaurant the day of your event.
- 5) The flyer must be handed to your server or bartender with the check to receive credit.
- 6) Flyers are good for dining in the restaurant or take out, but why make a mess at home!
- 7) Every check needs a flyer. If splitting the check, please bring enough flyers for each check.
