

El Cajon Western Little League
PO BOX 1452
El Cajon, CA 92022
elcajonwestern.com

Welcome to our 2020 season! We have proudly served the community of El Cajon for over 60 years. We're the home of the 1977 USA Little League Champions and need your help in keeping our legacy alive! We are also proud to offer the only league in East County to provide a Little League Challengers program for children through young adults with special abilities.

El Cajon Western relies on volunteers and the financial support of our community members to continue our program. Player registration fees alone cannot support the cost of spring and fall ball season. This year we're excited to offer more opportunities for players to lean on members of their community to help provide much needed equipment, upgrades, and registration fees for families that have financial burden. We need your help to ensure a successful 2020 season. These donations help keep registration fees low for El Cajon Western families and will help us continue spreading baseball in our community and beyond.

Jeremy Ortiz
President, El Cajon Western Little League

Thank you for supporting El Cajon Western!
